

Summer Recess is upon us!

Dear Future 4th Graders,

This summer, while resting, playing and generally having a great time, I would like to encourage you and your family to spend some time reading. To help guide you, I am providing a Summer Reading BINGO board. I hope this will make reading enjoyable and help you develop a love for reading.

As you complete a square, please have an adult initial the square. The Bingo board should be brought back to school during the first week. Let's see how many Bingos you can get!

If you find something great to read, please share that with others including your classmates and teachers. I hope this activity will result in some enjoyable reading time for you all!!

Love,

Mrs. Cleary
